International Planned Parenthood News

The only international journal concerned solely with the world-wide problems of population and birth control

—requested by libraries, universities, and sociological organizations;

—quoted by public speakers and newspaper correspondents.

Published ten times a year by the
INTERNATIONAL PLANNED PARENTHOOD FEDERATION

The IPPF, a federation of voluntary associations for family planning and governmental agencies in thirty-five countries, believes that

—family planning is a fundamental human right;

—a favourable balance between the populations and natural resources of the world is an indispensable condition of lasting world peace;

—that such a balance is unattainable unless knowledge of planned parenthood is extended.
